Field Descriptions (F12) indicates code lookup is available.

PROV NO (F12)

Enter the provider number of the provider you wish to add/view provider rate details for. You must enter a facility number of '000' to process this screen.

PROV NAME

This field will display the provider name of the provider whose ID is entered in the PROV NO field.

DISPLAY ONLY FACILITY

This field will default to 000 (provider rates for all facilities will be listed.) If you want to view provider rates for a specific facility under the provider, enter the appropriate facility number (001, 023, etc.)

LOC

This field will display the facility number associated to the listed services. For services associated to the 000 facility, this field will be blank.

FAC SVC (F12)

This field will display the code for the service the facility is authorized to provide.

DESCRIPTION

This field will display the description of the service code displayed in the FAC SVC field.

RATE

This field will display the rate for the service code displayed in the FAC SVC field. If the rate field is blank, there is no set rate for the service and a rate will have to be manually entered when the service is added on SERP (Services Detail: Payable) screen.

UNT TYP (F12)

This field will display the unit type associated with the service code entered in the FAC SVC field (for example – hourly, monthly, daily.)

AGE RANGE

This field will display the valid age range associated with the service code entered in the FAC SVC field.

EFFECTIVE DATE

This field will display the effective date associated with the service code entered in the FAC SVC field.

END DATE

This field will display the end date associated with the service code entered in the FAC SVC field.

CON IND

This field will display an “N” if no contract is required, a “P” if a contract is preferred or an “R” if a contract is required. For required contract services, the system will not allow the service to be entered for a client until the contract has been executed.

Additional Information

None.
